

Onboard & Upskill Staff

Welcome to the GoodX Career Academy for Health Workers

The Career Academy for Health Workers Curriculum is designed to **equip aspiring healthcare support staff** with the essential skills needed for employment in healthcare practices. This program is highly recommended during **staff onboarding** as part of **induction training**.

The Academy consists of 3 Phases:

PHASE 1 - COMPLETION OF THE GOODX CAREER ACADEMY CURRICULUM

1. Phase 1 requires the completion of the GoodX Career Academy Curriculum.
2. Learners can access the curriculum at no cost and work through a structured pathway to complete free and affordable courses, helping them develop the competencies required to excel as office staff in the healthcare sector.

PHASE 2 - JOB SHADOWING

1. Phase 2 is for candidates who completed the Curriculum in Phase 1 and apply for a shadowing position at a healthcare practice.
2. Application information is available in the Phase 2 course.
3. Terms & Conditions apply.
4. Candidates sign a non-disclosure agreement since they will come into contact with personal information.
5. The enrolment fee serves as the application fee.

PHASE 3 - PLACEMENT ON THE TALENT BANK

1. Phase 3 will become available to candidates who receive positive feedback from a healthcare practice after completing the shadowing program or who have a reference letter from a healthcare practice where they were employed.
2. The candidate applies to be placed on the Talent Bank of the GoodX Career Academy, where healthcare practices can search for candidates for possible job interviews for employment purposes.
3. Terms & Conditions apply.
4. GoodX Career Academy advertises the Talent Bank to thousands of GoodX clients.
5. The enrolment fee serves as the application fee.

Our desire is for you to embark on a bright future!

ABOUT GOODX ONLINE COURSES

GoodX Online Courses offers a dynamic and accessible platform catering to the educational needs of healthcare practitioners and support staff. This platform stands out by providing the flexibility to learn anytime and anywhere, accommodating the busy schedules of healthcare professionals and health workers.

TECHNICAL REQUIREMENTS

You'll need a current email account and access to a computer and the internet, along with a PDF Reader. While not mandatory, we recommend using Google Chrome for the best accessibility to course material. Your preferred browser must be configured to allow pop-ups.

ABOUT THE CERTIFICATE

Receive official recognition for your knowledge with a certificate of completion from GoodX Online Short Courses. Assessment is based on an online quiz. To receive your digital certificate, you must meet the course requirements. Upon successful completion, your digital certificate will be issued to your online profile.
